Secret Santa

TOY DRIVE

In the last financial year, PSFaNS supported **1117** children and **575** young people and their families. **Many** of whom had been experiencing homelessness, domestic and family violence, and/or extreme financial distress. Many who, without our help, will go without this Christmas.

We are calling on anyone in the community (businesses, organisations, schools, groups and individuals) to be a Secret Santa for someone in need and give the gift of hope to Port Stephens most vulnerable children and young people.

HOW IT WORKS

Use the Secret Santa Shopping Guide for recommendations and donate as many **NEW** toys and food items as you choose (whether it's one gift or many, EVERY SINGLE donation counts).

Drop your unwrapped donation in to us and it will be assigned to a child/young person and delivered discretely to the parent/carer to be put under their tree.

Every child deserves a gift under the tree - help us spread some Christmas magic!
