I RESPECT PROGRAM

I Respect is a program to educate and encourage high school boys (or groups of boys in sports clubs for example) to examine their attitudes and beliefs about manhood.

It is about teaching men and boys about healthy and respectful manhood to better support each other emotionally and hold each other to account, while ensuring girls and women are safe and considered equal.

The authors of the program recognise that the underlying causes of violence and discrimination against women and girls are rooted in the ways women have been traditionally viewed and treated in our society. The goal of the I Respect program is to raise awareness about healthy, respectful manhood and prevent violence and discrimination against all women and girls.

In summing up, it:

- promotes healthy, respectful manhood;
- decreases language and actions that degrade women, girls and other marginalised groups;
- challenges harmful cultural and social norms;
- decreases instances of bullying and homophobia.

We run workshops in and/or with Port Stephens High Schools each term. If you are interested in accessing this program for your school or group give us a ring on 49800800.

FAQ'S

Who do you help?

Anyone residing in the Port Stephens LGA. Single people, partnered people with and without children in their care, young parents, young people and single parents.

Do you only help people in Raymond Terrace?

No, we outreach to ALL areas in the Port Stephens LGA. From Fingal Bay to Karuah, Anna Bay to Williamtown and all places in between!

What if I have no way to get to you?

Our counsellors / caseworkers can meet you in your home, at one of our centres or somewhere else convenient to you. We can now also provide Emergency Relief appointments over the phone. Transport is available to some groups.

Why do you have 2 offices in Raymond Terrace?

Port Stephens Family and Neighbourhood Services is an amalgamation of Port Stephens Family Support and Raymond Terrace Neighbourhood Centre since 2014. Until we find a space big enough to fit us all, we are based out of our previous service offices.

How do I know which office to call?

It can be confusing as Google only allows us 1 main listing, but we have 4 service locations. Details for all 4 sites on page 17. The phone number to call is listed under each individual service / program.

Are all your services really free?

Yes. Port Stephens Family and Neighbourhood Services are a not for profit, non-government organisation. All of our services are free thanks to our funding bodies.

Do you accept donations?

Yes. We accept new or as new clothing that is clean, very good condition (without stains, pilling, holes or tears). Larger items we can accept but we do not have any storage space so we will try to find someone who needs your bulky items before accepting them on site (if you have the time to wait while we do that).
If making a cash donation, you can select where you would like your funds to go. Supporting the homeless, trauma packs for children, support for families escaping domestic violence, food help for those in need, supporting disadvantaged kids to join after school sports or music lessons. So many options! All donations over \$2 are tax deductible. Head to our donations page for more info
<http://www.psfans.org.au/make-a-donation/>

Can I volunteer?

Yes. We value volunteers and it is important to us that you take on roles that you are comfortable with and that you enjoy. For more information on volunteering, head to our website <http://www.psfans.org.au/contact/volunteering/>

PSFANS is a registered Covid Safe Org
